Maple	MIM	S
Oak	MIO	S

*Door style abbreviation: (S) Square
Square door panels on all base cabinets.

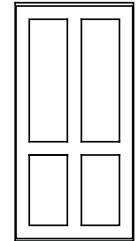

Mission Door and Drawer Front Construction

- Full overlay styling (1-5/16" overlay).
- 3/4" thick hardwood frame with 3/8" thick solid reverse raised panel.
- Cabinets 15" and wider, a face applied center "mullion" is centered on the door.
- Drawer fronts are 3/4" thick solid hardwood.
- Door is secured to the front frame with Blum® 6-way adjustable, cup hinges.

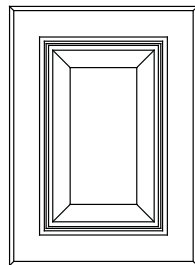

- A 5-piece drawer front may be ordered to replace all slab drawer fronts. (OPT#520)

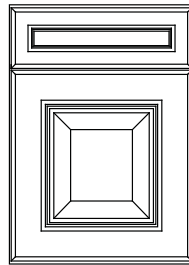

Note: In order to provide the most stable door possible, all Mission Series doors taller than 29" will be made with two floating wood panels using the profile shown for that style. Single panel doors may be ordered as an option. (OPT#620).
