

Door Styles

CAPITOL SERIES OXFORD (OX)

Wood Species	ABBR	Door Style*
Cherry	OXC	S
Hickory	OXH	S
Maple	OXM	S
Oak	OXO	S

*Door style abbreviation: (S) Square
Square door panels on all base cabinets.

Oxford Door and Drawer Front Construction

- Full overlay styling (1-5/16" overlay).
- 3/4" thick hardwood frame with solid hardwood 3/8" thick reverse raised center panel. Raised applied molding picture frames the center panel.
- Drawer fronts are 5-piece.
- Raised applied molding picture frames the center panel.
- Door is secured to the front frame with Blum® 6-way adjustable, concealed cup hinges.

- As an option, a slab drawer front may be ordered in place of the 5-piece drawer front. (OPT#527)

Note: In order to provide the most stable door possible, all Oxford Series doors taller than 30" will be made with two floating wood panels using the profile shown for that option. Single panel doors may be ordered as an option. (OPT#620).
