Wood Species	ABBR	Door Style*
Cherry	PLC	S
Hickory	PLH	S
Maple	PLM	S
Oak	PLO	S

*Door style abbreviation: (S) Square
Square door panels on all base cabinets.

Plymouth Door and Drawer Front Construction

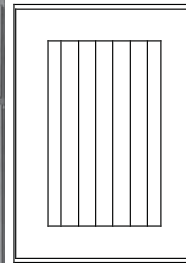

- **Full overlay styling (1-5/16" overlay).**
- 3/4" thick hardwood frame with 3/8" thick solid reverse raised panel.
- Drawer fronts are 3/4" thick solid hardwood.
- Door is secured to the front frame with Blum®, 6-way adjustable cup hinges.
- As an option, a 5-piece drawer front may be ordered to replace all slab drawer fronts. (OPT#520)

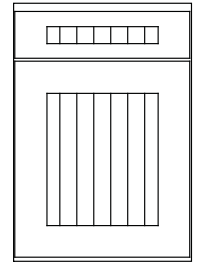

Note: In order to provide the most stable door possible, all Plymouth Series doors taller than 29" will be made with two floating wood panels using the profile shown for that style. Single panel doors may be ordered as an option. (OPT#620).
