## CAPITOL SERIES SHAKERTOWN (SH)

Shaker Door Edge Profile

Designer Door Edge Profile  
Option #640

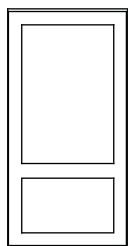

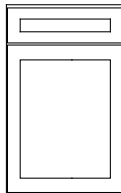

Wood Species	ABBR	Door Style*
Cherry	SHC	S
Hickory	SHH	S
Maple	SHM	S
Oak	SHO	S

\*Door style abbreviation: (S) Square  
Square door panels on all base cabinets.

### Shakertown Door and Drawer Front Construction

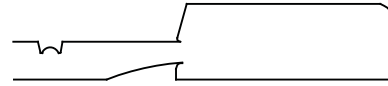

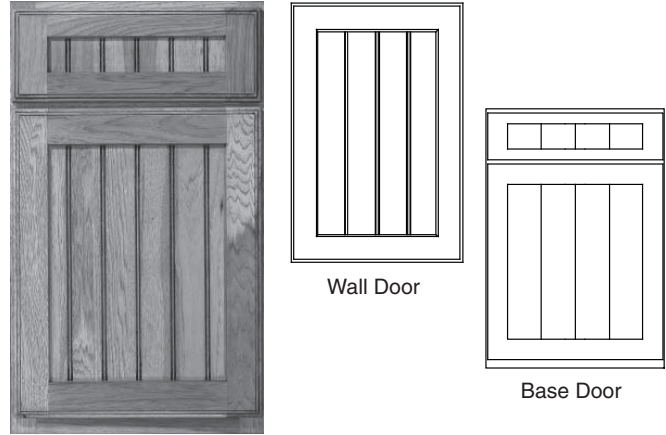

- Full overlay styling (1-5/16" overlay).
- 3/4" thick hardwood frame with 3/8" thick solid reverse raised panel.
- Drawer fronts are 3/4" thick solid hardwood.
- Door is secured to the front frame with Blum® 6-way adjustable, cup hinges.

- As an option, a 5-piece drawer front may be ordered to replace all slab drawer fronts. (OPT#520)

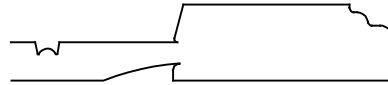

**Note:** In order to provide the most stable door possible, all Shakertown Series doors taller than 29" will be made with two floating wood panels using the profile shown for that style. Single panel doors may be ordered as an option. (OPT #620).
