

HAAS CLASSIC PAINTS (Shown on Maple)

**COLOR CHOICE**  
The choice is yours!

While stained cabinets remain popular, many homeowners are considering all painted cabinets or a mixture of the two.

Haas has partnered with Sherwin-Williams, a leading global manufacturer of paint and coatings, to offer our COLOR CHOICE program. This program allows us to offer a wide variety of specialty colors so you can accent your room with custom colors. Visit your Haas dealer for more information on this unique offering.
